LOS MATERIALES

¿De dónde se obtienen estos materiales? Relaciona cada material con su origen.

Activity for material origins. On the left, there are four material icons: corcho (cork), lana (wool), algodón (cotton), and piel (leather). On the right, there are two animal icons (cows) and two plant icons (cotton and wool). Lines connect the materials to their sources: corcho to a cork oak tree, lana to a sheep, algodón to a cotton plant, and piel to a cow.

MATERIALES Y SU ORIGEN

¿De qué están hechas las cosas?

Activity for material identification. It shows a swimming pool with a fence. The text asks to touch each element with the color that corresponds. Below the image, there is a label 'valla' and two options: 'De madera' (with a wood icon) and 'De metal' (with a metal icon).

PROPIEDADES

EL RECICLAJE

Activity for recycling bin selection. A blue bear character is standing next to three recycling bins (red, yellow, and green). A speech bubble says 'Elige el cubo de basura que quieras.' Below the bins are three small icons representing different types of waste.

RECICLAMOS

Activity for recycling bin identification. A blue bear character is standing next to three recycling bins (red, yellow, and green). A white cat character is pointing to the bins. There is a speech bubble with a question mark.

RECICLAMOS II

Coloca cada elemento en el contenedor que le corresponde.

Activity for recycling bin placement. It shows three recycling bins: 'Envases' (yellow), 'Papel y cartón' (blue), and 'Cristal' (green). Below the bins are various items: a bottle, a can, a newspaper, a glass, and a jar.

AL CONTENEDOR

Toca los elementos que no contaminan el suelo.

Activity for identifying non-polluting elements. It shows four groups of items: 1) a trash can, 2) leaves, 3) flowers, and 4) a milk carton, a bottle, and a cup.

¿QUÉ CONTAMINA?

Seleccionar las acciones correctas para el cuidado del parque.

Activity for selecting correct actions for park care. It shows a large illustration of a park with children playing, a dog, a person on a bicycle, and a person on a wheelchair. Below the illustration are several small circular icons showing different actions: a person picking up trash, a person watering plants, a person on a bicycle, a person on a wheelchair, and a person walking a dog.
